

MOONCAT ENTERTAINMENT
Curated Live Music for Elevated Spaces

Mooncat Entertainment helps venues create memorable guest experiences through thoughtfully curated live music programming.

Founded by Austin musician [David Houston](#), Mooncat combines decades of performance experience with a deep understanding of what makes live entertainment successful in restaurants, hotels, breweries, wineries, private event venues, and corporate spaces.

We don't simply book bands. We help create the right atmosphere, match the right performers to the right audience, and provide reliable, professional entertainment that enhances your brand and keeps guests engaged.
